

"WHEN AM I EVER GOING TO USE MATH?"

There are many ways you will use math *throughout your life!*

COOL JOBS USE MATH

- Sports Announcer (Statistics)
 - Fighter Pilot (Trigonometry)
 - Game Designer (Coding)
- ... and that's just the tip of the iceberg!*

MATH MAKES MONEY

- Big Purchases (Percentages)
 - Budgeting (Arithmetic)
 - Buying a House (Algebra)
- ... the smart money is on math!*

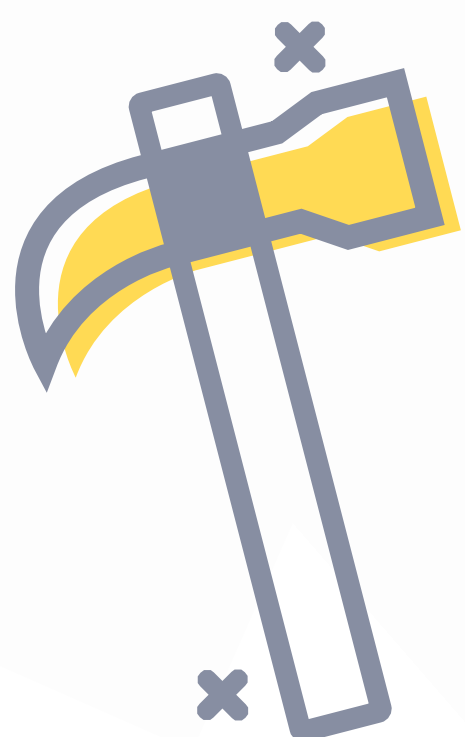

MATH IN THE KITCHEN

- Measurements (Volume + Weight)
 - Temperature (Calculations)
 - Portions (Fractions)
- ... master math, master chef!*

BUILD IT WITH MATH

- Electrical (Measurement)
 - Carpentry (Geometry)
 - Tiling (Area)
- ... what will you create?*

STRONG MATH, STRONG BODY

- Calorie Counting (Mental Math)
 - Weightlifting (Calculation)
 - Cardio (Efficiency)
- ... use math to add to your health!*

Where Smart Kids Get Smarter.
